

Define:

“conflict of interest” “supporting an interest”

“investment” “divestment” “boycott”

Are we obligated to boycott entities we object to on a moral basis? what does it mean to object? What does it mean to boycott?

An Arab nation which objects to Israel’s policies on a moral and political basis pays for and supports our program and class.

What are they investing in? Why?

?’s

(would we have Arabic) NO

(what other septs have outside funding) IDK -exist

(what do we get) \$, connections, opportunities, materials, training, community, travel

(what’s taught) Best practices

(elsewhere?) yes

(purchase our text?) yes

(have I ever been censored) no

?’s

I have invited an Israeli and former member of the military to speak to our class.

Is my invitation justified? What am I obligated to do?

Am I obligated to inform QFI? Why?

Should they report the story? Should we?

Do they have the right to know what we say/ think?

Can they influence and control what we say in the class? Should they be able to? Are certain ideas “off limits”? Why? What puts ideas off limits?
